

# Acu-Masseur

*The string allows you to massage many hard-to-get muscles yourself!*

This is absolutely one of the very best and favorite tools for massage therapists and lay people alike. Great on the neck, shoulders, hamstrings, quads & arms. Simply Awesome!

*"Experime-t, a-d becomes its frie-d; a-d it will teach you all of its wo-drous secrets."*

NOW, YOU CAN massage your muscles that are next to impossible to massage with the Acu-Masseur. By using the red string, YOU can massage the trapezius muscles, the scapula, teres, lats & much more. A chiropractor in Florida claims to have great success all of the time while using on the neck & shoulders. People who love massage are grateful for its existence. The Acu-Masseur can be your new friend! Use it like you would yoga. Get into a position with it, and then deeply breathe and/or slowly move your muscles in a stretching motion, OR slowly tweak the red balls of the acu-masseurs as they hug & squeeze you.

## Great o- the trapezius muscle, occipitals, scapula, etc.

string on Trapezius

Occipitals (not neck)

Wonderful on Obliques - as you walk up ribs, hold string - you can grab the scapula + more.
