2 radiators -1500 watts generate
95-99%- FIR light 4-14 microns

Some of the reasons why Consumers & Health Professionals prefer the Relax Sauna to other Far Infrared Saunas:

4. The Relax Sauna is 5-10 times more powerful than the less expensive primitive saunas made in china, and in 1/2 the time.

The reflecting silver tent - acts ike a mirror so every part of your body is within 1 foot of an FIR Energy Source

10. Every part of your body is in front of a source of Far Infrared Light Energy, as the reflecting tent is ricocheting the light.
