Color Therapy Glasses

### What is Color Therapy ? How Does It Work ?

Color Therapy is simply the therapy of using colors to heal. Shining color lights on a person for 30 minutes is a normal treatment. Even imagining colors shining upon you while sitting still with eyes closed will work. Research has shown a more dependable way is by wearing color therapy glasses. The eyes convert light (color) into a kind of energy which travels through our nervous system, which can effect all body functions. Studies have shown that when color is introduced to the human system it causes cellular and hormonal changes thus bringing the cells into synchronization or balance with the color.

Color therapy glasses can be worn daily for 30 to 60 minutes.

### Relax FIR Sauna w/ Far Infrared Ray (FIR)

Folded Chair, Folded Tent  
w/2 750 watt FIR heaters

Sauna Tent  
Dimensions  
42" high,  
33" wide

The Relax Sauna can be used for detoxifying, slimming, energizing, beautifying, or for experiencing Total Wellness.

Because of the reflecting (& odor free) nature of the outside material that this tall 42" Relax Sauna is made out of, the two 750 watt Patented Heating Ceramic Semiconductor units are able to circulate Far Infrared Rays throughout the Relax Sauna, allowing every cell in the body to absorb the Far Infrared Rays (as HEAT), causing the cells to release toxins through sweating (16-32 oz) & hence give an extremely effective sauna experience in only 20-30 minutes.

This is the choice of many massage therapists as their favorite *massage tool*

### Acu-Masseur

The Acu-masseur is one of the most unique massage tools on the planet. A chiropractor in Florida claims she can get rid of migraines all of the time with her patients. Massage therapists rave about the points on their shoulders that they can deeply massage by themselves. People in pain or with fibromyalgia are grateful for its existence.

Far Infrared Ray Light is absorbed by our bodies as heat, and has many therapeutic benefits, as it penetrates deeply into cells. It can sooth upset stomach, help protect & enhance eyesight, aids the body's ability to heal cuts & abrasions, reduces nasal congestions, and much more. Belongs in Every Home.
